

WELCOME TO THE WHEELS UP MOTORCYCLE TRAINING BASIC RIDER COURSE (BRC)

Thank you for enrolling in the Wheels Up Basic Rider Course (BRC). We're committed to providing you with the highest quality of rider education in a safe, positive environment. Please take a moment to review the following information, which will help you to prepare for the course.

How to Succeed in the Basic Rider Course:

- **Be on time – Class starts promptly at 7:30AM**

The Rider Coaches need to get class started on time. We suggest you plan to arrive 30 minutes early. Please note that directions to class have been attached to this e-mail. We highly recommend that you print them out and use them to find your way.

If you are late, you will be DROPPED from the class

- **Be properly dressed for the riding sessions.**

The required clothing and footwear are:

- $\frac{3}{4}$ or Full Face DOT Helmet

- Eye Protection (sunglasses or helmet visors are permitted)
- Sturdy, over-the-ankle boots
- Denim or other heavyweight pants
- A long-sleeved shirt or jacket
- Full Fingered Gloves

NOTE: Half-helmets are not permitted, regardless of whether they are DOT-compliant.

If you aren't dressed properly, you'll be DROPPED from the class

- **Bring required documents and, if required, a parent or legal guardian**

To begin the class, you must bring one of the following:

- A valid Driver's License, or
- Motorcycle Permit, or
- A Driver's Education Course completion certificate

If you are under eighteen years old, you will also need a parent or legal guardian present to sign your waiver form. Once they do that, they are free to leave, and you'll be good to go!

- **Rest, Food, and Water**

Make sure you've had adequate rest and food before class. You will have a lunch break and there are several restaurants nearby, but we suggest you bring water and snacks based upon your needs.

- **Understanding Expectations**

If you come prepared, we'll make every effort to guide you successfully through the BRC. However, please understand that ***not every student successfully***

completes the course. If you are unable to meet the objectives of an exercise or if you pose a safety risk to yourself or others, a Rider Coach may counsel you out of the course.

There is NO GUARANTEE that you will pass the course

Cancellation / Reschedule Policy

The class seat reservation for which you have paid may prevent another person from planning to attend. Therefore, no refunds will be given for cancellations made less than 48 hours before the class date unless we can fill the seat you are vacating from our stand-by list.

If you fail to arrive on time, leave, or sit out any scheduled exercise or classroom unit for any reason other than medical, you will be considered withdrawn from the course and the course fee will not be refunded.

By state regulation, a student enrolled in Motorcycle Safety Class must attend all classroom units, must participate in all range exercises, and successfully pass both the written and range skills assessments in order to obtain the Class M-2 endorsement.

To request a reschedule 48 hours or more prior to your scheduled date call Wheels Up at: 888-904-7824.

Passing The BRC

Written Knowledge Test:

You must score 80% or better to pass the Written Knowledge Test.

Riding Skills Evaluation:

You may accumulate no more than 20 points to pass the Riding Skills Evaluation..

Upon successful completion of the BRC you will receive a TSS-97 DMV. This waiver should be taken to a DMV, where it will be treated as proof of successful completion of a Class M2 Licensing Skills test.

Being Counseled-Out

Riding a motorcycle can be dangerous. If you are riding in an unsafe manner or pose a safety risk to yourself or other students, the instructor may review your performance with you and recommend that you withdraw from the course, or exercise his or her authority to remove you. You may also voluntarily withdraw from the course if you do not feel comfortable enough to continue. The course fee will not be refunded under these circumstances.

Ride a Bicycle

If you aren't already riding a motorcycle, and you haven't been on a bicycle in years, we suggest you dust off your old bike and take some rides around your neighborhood before you take the BRC. It will help you to get ready for the course.

Remember to print out the map and directions, and also review your schedule included in the e-mail.

We look forward to meeting you!
